Joel Robinson

Intro D E Bm D D/F# E Bm D

1 D A/C# Bm
God of gods I gaze upon thee
 G D
Holy, holy is your name
 D A/C# Bm
Overwhelmed I bow in worship
 G A D
Majesty, King of kings
 G
At one time I did not know you
 D/F# G
I could not approach your throne
 Bm A/C# D
For my soul was dark and sinful
 A D
I was clothed in rags and shame

2 Through your grace and loving mercy
You have made a way for me
Jesus Christ stepped down from heaven
Set his face to Calvary
Laying down his crown of glory
Taking off his royal robe
He then clothed himself with my sin
Paid the price, went to the grave

3 Now I'll join in heavens praises
For the grave did not succeed
Jesus crushed all death and evil
Rose again, triumphantly
Jesus met me in my weakness
Wrapped his robe around my frame
Placed his kingly crown upon me
Now I stand in Jesus' name

4 As I come before the Father
I approach, a favoured son
Not by works or law abiding
But by grace and faith alone
Jesus Christ has made me holy
Through the blood he shed for me
Now my offerings of worship
Are acceptable to thee
