Commission's Values

Commission is an international family of churches united by a shared passion for Jesus and His mission, and a clear vision to see thousands of lives transformed through hundreds of churches in tens of nations.

We achieve this by seeking to build and plant local churches that are subject to God's word and responsive to His Spirit.

Churches where grace is not only preached but is experienced and demonstrated.

Churches where the gifts of the Spirit are fully expressed and where relationships are genuine and deep.

Churches that serve their local communities but are also engaged in God's global mission.

Commission is led by Guy Miller with teams of leaders and is enthusiastically part of the wider Newfrontiers family of churches.
